FREE SEMINAR ON BACK PAIN AND ARTHRITIS

AT CHEER COMMUNITY CENTER, GEORGETOWN

The Arthritis Foundation Delaware Branch, in conjunction with Beebe Medical Hospital, Delaware Rheumatology Society, and CHEER Community Center, is hosting a free seminar to the public to discuss the latest updates regarding Back Pain and Arthritis. This seminar is being held on Friday, February 22, 2008 from 1-4 pm at the CHEER Community Center, 20520 Sand Hill Road Georgetown, DE. The focus of this second in series seminar is: "Arthritis Update – New Ways to Take Control of Back Pain". The speakers include: Dr. John Gomez, a Rheumatologist from Rheumatology Associates, Dr. Ronald Sabbagh, a Board Certified Orthopedic Surgeon, Cheyenne Luzader, MS, Complementary and Alternative Therapies, from Beebe Medical Center, and Dr. Douglas Briggs, Dpl. Acupuncture.

Don't miss this interesting and informative afternoon. It is free and open to the public.

You must register to attend. To register, please call 302-730-9000 or email at bt@arthritisde.org.
