TS Smith and Sons Shares Holiday Cheer at Lewes Market

Farm Market to Join Windsor's Plant Outlet in Holiday Celebration

Lewes, DE, November 14, 2011:

Wondering what local produce is available for holiday meal planning? Need to pick up something special to take along as a Thanksgiving guest? Want to try something new? TS Smith and Sons, a three-season farm and Sussex County's only apple orchard, has just what you need and they are showcasing it along with offerings from Windsor's Plant Outlet at the corner of Savannah and Wescoats Roads in Lewes this Sunday.

From noon until 4 PM there will be refreshments to enjoy and recipes to use for holiday meal planning. The bins will be stacked full of seasonal produce for visitors to take home for holiday baking and cooking. Charlie Smith, owner and grower, will be on hand to answer questions about the produce and his family's historic, yet progressive, farm. Tastings of local favorites that are available in the Lewes location, such as Cape Seasonings Snacks and Backyard Jams (which are made from TS Smith produce) will also be offered in addition to longstanding favorites from TS Smith and Sons' farm market.

Holiday gift ideas will be featured, including the ever-popular and customizable fruit baskets made with fresh, local TS Smith and Sons produce. The farm also takes orders for fresh, local, free-range turkeys for delivery just prior to Thanksgiving and Christmas and will have information about that as well.

TS Smith makes it easy to win a gift just for doing some good. Everyone who brings a non-perishable donation to TS Smith's canned food drive can enter to win two tickets (valued at \$50) to an upcoming 2012 *Coastal Concerts* event.

A one-stop destination for holiday supplies, both TS Smith and Windsor's will have special pricing on seasonal items. Windsor's will have fresh greens and other floral items available for holiday decorating. This Holiday Open House makes supporting local businesses convenient, affordable, and fun.
